Amnas Ahamed

Founder | EdTech, Consulting & Creative Ops | Building Smooth Systems & Scalable Workflows

Kerala, India

Summary

I'm an entrepreneur who enjoys building clear systems, strong operations, and meaningful digital experiences. Across CLAPS Learn, Pelago, and DesGro, I've worked on shaping products, strengthening brands, and setting up the workflows that help teams run smoothly. My background spans PR, content, media, and creative work, supported by an MBA in Operations & Marketing and UGC NET qualification. At the core, I like solving problems, organising chaos, and helping ideas grow into structured, scalable systems.

Experience

CLAPS Learn

Founding Partner

June 2021 - Present (4 years 11 months)

Co-founding CLAPS Learn and leading the end-to-end growth of a personalized EdTech platform.

- Designed learning systems, parent experience, and operational workflows
- Built internal tools, automation, and student-teacher management pipelines
- Scaled platform across multiple cities with strong retention outcomes
- Driving product innovation, academic quality, and business strategy

Pelago Consultants LLP

Founding Partner

December 2022 - Present (3 years 5 months)

Co-founding Pelago Consultants and leading the digital transformation of a modern tax & compliance firm.

- Built and manage Pelago's full digital presence website, branding, and marketing funnels
- Assisted in designing workflows for operations
- Created internal tools that streamline document handling, filings, and client communication

- Strengthened lead generation through structured marketing, content strategy, and digital campaigns
- Driving Pelago's shift toward a tech-enabled, digital-first consulting model

DesGro Creatives

Founding Partner

October 2023 - August 2025 (1 year 11 months)

Co-founding DesGro and building the foundational systems of a modern creative agency.

- Hired and onboarded the first team member to establish a reliable delivery pipeline
- Helped shape DesGro's identity as a lean, process-driven creative partner for growing brands

Magnolabs

Project Manager

July 2022 - December 2024 (2 years 6 months)

Led cross-functional product and marketing projects for a digital solutions firm.

- Managed timelines, vendor coordination, team execution
- Built no-code tools & WordPress systems for clients
- Improved delivery quality and client engagement processes

CodeAce IT Solutions LLP

Video Creator

May 2021 - October 2021 (6 months)

Created engaging video content for digital products and brand campaigns.

- Produced explainer videos, tutorials, and promotional content
- Collaborated with design and marketing teams for consistent visual messaging
- Managed end-to-end editing workflows using industry-standard tools

Edapt

1 year 4 months

Media Manager

May 2020 - March 2021 (11 months)

India

Led media communication and content planning for Edapt's digital learning platform.

- Managed social media presence, content calendars, and campaign execution

- Coordinated visual and written content to support product launches
- Ensured consistent brand messaging across all digital channels

Content Developer

December 2019 - May 2020 (6 months)

Kozhikode

Developed structured learning content for students across subjects.

- Created curriculum-aligned modules, quizzes, and learning resources
- Worked with academic experts to ensure accuracy and clarity
- Improved content quality through proofreading and iterative refinement

CIGI

Public Relations Coordinator

April 2019 - December 2019 (9 months)

Kozhikode

Managed communication, outreach, and public relations activities for CIGI.

- Coordinated events, press releases, and institutional communication
- Worked with stakeholders to strengthen community engagement
- Supported brand visibility through organised PR efforts
